CIRCUIT: 11 Dade
UNIT: AHCARESPONDENT.

FINAL ORDER

Pursuant to notice, the undersigned hearing officer convened a telephonic administrative hearing in this matter on November 4, 2015 at 10:08 a.m.

APPEARANCESFor the Petitioner:  MotherFor the Respondent: Dianna Chirino,
Senior Human Services Program Specialist,
Agency for Health Care Administration**STATEMENT OF ISSUE**

The Petitioner is appealing the Agency for Health Care Administration's (AHCA's) decision to deny the Petitioner's request for durable medical equipment (DME):

1.) power wheelchair; 2.) electric bed; and 3.) air mattress.

Because the issue under appeal involves requests for medical supplies, Petitioner carries the burden of proof.

PRELIMINARY STATEMENT

Dr. Marc Kaprow, Executive Director for Long-Term Care, and Christian Laos, Senior Compliance Analyst, both from United Healthcare (UHC), appeared as witnesses for the Respondent.

Respondent submitted an 83-page document, which was entered into evidence and marked as Respondent Exhibit 1.

Interpreter [REDACTED] from Proprio Language Services, provided Spanish translation for Petitioner whose mother only speaks Spanish.

FINDINGS OF FACTS

Based on the oral and documentary evidence presented at the final hearing and on the entire record of this proceeding, the following Findings of Fact are made:

1. Petitioner is a 76 year-old Medicaid recipient enrolled with United Healthcare (UHC), a Florida Health Managed Care provider.
2. Petitioner has Medicare as her primary medical insurance provider.
3. UHC received a request for a power wheelchair on June 12, 2015. A Notice of Action was sent to the Petitioner on June 24, 2015 stating the Petitioner is able to get the power wheelchair through Medicare and the plan would pay any copayments for this service.
4. UHC received a request for an electric bed and air mattress on September 12, 2015. A Notice of Action was sent to September 17, 2015 also advising the Petitioner

she is able to obtain these items through Medicare and the plan would pay any copayments for these services.

5. Petitioner weighs 300 pounds and is requesting a heavy duty (bariatric) wheelchair and a heavy duty (bariatric) electric bed. Petitioner is also requesting an air mattress.

6. Respondent advised that standard wheelchairs and standard hospital beds accommodate patients up to 350 pounds. Respondent noted no medical documentation had been provided to support the need for bariatric equipment.

7. Medicare has denied Petitioner's request for these durable medical supplies.

8. Medicaid and UHC accept Medicare's determination of medical necessity because Medicare is the Petitioner's primary medical insurance provider.

9. Medicaid is payor of last resort.

CONCLUSIONS OF LAW

10. By agreement between the Agency for Health Care Administration and the Department of Children and Families, the Agency for Health Care Administration has conveyed jurisdiction to the Office of Appeal Hearings to conduct this hearing pursuant to Chapter 120.80 Florida Statutes.

11. This proceeding is a de novo proceeding pursuant to Fla. Admin. Code R. 65-2.056.

12. The standard of proof needed to be met for an administrative hearing is by a preponderance of the evidence, as provided by Florida Administrative Code Rule 65-2.060(1).

13. Florida Statutes 409.971 – 409.973 establishes the requirement for Medicaid recipients to be enrolled in the statewide managed medical assistance program and the minimum benefits the managed care plans shall cover.

14. § 409.912, Fla. Stat. also provides that the Agency may mandate prior authorization for Medicaid services.

15. Fla. Admin. Code R. 59G-1.010 defines “prior authorization” as:

(226) “Prior authorization” means the approval by the Medicaid office for a Medicaid provider, or by a prepaid health plan for its affiliated providers, to deliver Medicaid covered medical or allied care, goods, or services in advance of the delivery of the care, goods, or services.

16. Fla. Admin. Code R. 59G-1.010 (166) also provides...

“Medically necessary” or “medical necessity” means that the medical or allied care, goods, or services furnished or ordered must:

(a) Meet the following conditions:

1. Be necessary to protect life, to prevent significant illness or significant disability, or to alleviate severe pain;
2. Be individualized, specific, and consistent with symptoms or confirmed diagnosis of the illness or injury under treatment, and not in excess of the patient’s needs;
3. Be consistent with generally accepted professional medical standards as determined by the Medicaid program, and not experimental or investigational;
4. Be reflective of the level of service that can be safely furnished, and for which no equally effective and more conservative or less costly treatment is available; statewide; and
5. Be furnished in a manner not primarily intended for the convenience of the recipient, the recipient’s caretaker, or the provider.

(b) “Medically necessary” or “medical necessity” for inpatient hospital services requires that those services furnished in a hospital on an inpatient basis could not, consistent with the provisions of appropriate medical care, be effectively furnished more economically on an outpatient basis or in an inpatient facility of a different type.

(c) The fact that a provider has prescribed, recommended, or approved medical or allied care, goods, or services does not, in itself, make such care, goods or services medically necessary or a medical necessity or a covered service.

17. The Florida Medicaid Provider General Handbook, July 2012, incorporated in Fla. Admin. Code R. 59G, provides an explanation of Medicaid limits for Medicare Cross Over claims and provides on pages 1-2 and 4-3 in relevant part:

Responsibility For Exhausting TPL Sources

Medicaid is the payer of last resort. If a recipient has other insurance coverage through a third party source, such as Medicare, TRICARE, insurance plans, AARP plans, or automobile coverage, the provider must bill the primary insurer prior to billing Medicaid.

....

Medicaid Program Limits

Medicaid will not pay a crossover claim if:

Both Medicare and Medicaid cover the service, and Medicare has determined that the service is not medically necessary. **If Medicare determines that a service that Medicaid also covers is not medically necessary, it is also considered to be not medically necessary by Medicaid [emphasis added].**

18. Medicare has not approved the electric bed, air mattress, or the power wheelchair the Petitioner has requested. Therefore, Medicaid cannot cover these services either.

19. The Respondent, by a preponderance of the evidence and testimony, supported its decisions in denying Petitioner's requests for a power wheelchair, electric bed, and air mattress. The Petitioner has failed to meet her burden of proof.

DECISION

Based on the evidence presented at the final hearing and on the entire record of this proceeding, the Petitioner's appeal is denied and the Respondent's actions are affirmed.

NOTICE OF RIGHT TO APPEAL

This decision is final and binding on the part of the agency. If the Petitioner disagrees with this decision, the Petitioner may seek a judicial review. To begin the judicial review, the Petitioner must file one copy of a "Notice of Appeal" with the Agency Clerk, Agency for Health Care Administration, 2727 Mahan Drive, Tallahassee, FL 32308-5403. The Petitioner must also file another copy of the "Notice of Appeal" with the appropriate District Court of Appeal. The Notices must be filed within thirty (30) days of the date stamped on the first page of the final order. The Petitioner must either pay the court fees required by law or seek an order of indigency to waive those fees. The Petitioner is responsible for any financial obligations incurred as the agency has no funds to assist in this review.
