NOTES:

* Children aged 6 through 18 **do not** receive the standard disregard. They do get the 5% MAGI disregard, if needed.

** MNIL--The Medically Needy Income Limit (MNIL) includes the appropriate standard disregard. No additional disregards should be applied to establish a share of cost.

*** MAGI--The 5% MAGI disregard is used in a budget **only** if it makes a "failing" individual "pass" a full coverage Medicaid group.

MAGI--The 5% MAGI disregard is never used in a Medically Needy budget.
